

***The following is important information for the successful completion of an application to Raleigh School of Nurse Anesthesia. Please take the time to read the text.***

There are **two separate** applications needed in order to be considered for our nurse anesthesia program clinical residency: (1) Raleigh School of Nurse Anesthesia and (2). The Graduate School, University of North Carolina Greensboro (a request may be made for the UNCG application by writing the Dean of the Graduate School, UNCG, P. O. Box 26402, Greensboro, NC 27402, calling the Graduate School at 336-334-5596, or downloading the application from the web at [www.uncg.edu](http://www.uncg.edu)).

**Applications will be accepted through October 31 for the following Fall admit date. A checklist for a complete application is included on the third page of the application. Completed application material should be addressed to:**

**Raleigh School of Nurse Anesthesia  
3900 Barrett Drive Suite 200  
Raleigh, NC 27609**

You must include your UNCG Student ID Number on your application to RSNA for tracking purposes. Interviews are granted on a first come first served basis only.

**If the Graduate School at UNCG has granted your acceptance with academic provisions, those provisions must be satisfied before your application will be considered for an interview.**

Prerequisites for admission to the UNCG Graduate School include verification of courses in health assessment, undergraduate inferential statistics and completion of BSN by an accredited school. If you are currently involved in course work to meet any or all of these prerequisites, verification of completion of such course work must be submitted to RSNA and UNCG before an interview will occur. Interviews will not be granted to individuals who have any UNCG prerequisites outstanding or academic provisions that have not been satisfied.\

A personal interview is required for all eligible applicants. Interviews are generally conducted during November and December prior to enrollment the following August. Specific dates for interviews will be determined and interviews are only conducted on those dates. Submission of application by the deadline does not guarantee a spot for an interview.

Applicants are notified by RSNA when they are eligible for an interview. RSNA will only interview applicants admitted to UNCG Graduate School and interviews are not guaranteed to all applicants admitted to UNCG. Interview time slots are limited and not further interviews will be scheduled once interview slots are filled. Therefore, it is very important that you frequently monitor the status of your application at both institutions.

RSNA fees and tuition include\*:
